Isn't it Time to Pray?

Of all the things the devil despises, it shouldn't surprise us, that at the top of the list, is the praying believer. Because when we pray, we invite the Almighty God to rend the heavens and come down right smack in the middle of our affairs. Prayer is the life-breath of faith for it demonstrates the reality that God is and that He is the rewarder of them that diligently seek Him. (Heb 11:6). Prayer is a mighty weapon against the hoards of hell. Prayer has stopped the mouths of lions and opened prison doors. Prayer has stayed the hand of God's judgment and loosed His hand of healing and revival. **There is no greater work in the kingdom than prayer.** Without prayer, every effort is a work of the flesh. When we don't pray, we are essentially saying we don't need God. God have mercy!
So it's easy to see why satan fights the prayer-meeting – family prayer and personal private prayer. If he can hinder our prayer, he has us where he wants us. So, we're going to pray and we want you to join us. One puts to flight a thousand and two, ten thousand so let's get it on and wreck hell.

We need your prayers. Pray that God will continue to use the new CD and the book to touch people's lives. Pray that God will continue to bless our finances and allow us opportunities to preach the Gospel and that we will preach it boldly – calling this nation to repentance and faith. Pray that God will give us creative ideas that will exalt the name of Jesus and will wreck hell in these last days.

And now take a minute and share with us your prayer requests. If the space below is not enough, then send it on a separate sheet of paper. Or if you prefer - email them to us at "prayforme@hellwrecker.com". But **Know This! – We have set a time and we will be praying for you!** Jesus "ever liveth to make intercession for us" (Heb 7:25) and I believe it's time to pray. It's time for all of us to get serious about prayer. Remember James 5:16 "…The effectual fervent prayer of a righteous man availeth much" so send us your requests today!
